

# What are the benefits of a locksmith apprenticeship?

Here are a few benefits of becoming a locksmith apprentice, just to name a few:

- Learn more about the locksmith industry while getting paid.
- Build relationships with successful locksmiths in your community.
- Create credibility by building up experience prior to starting your own business, or use the experience to build your resume for future jobs.
- Bureau of Security and Investigative Services (BSIS) is where you must obtain a locksmith license, Old Capitol can help you!
